

One day

One day  
I awaited  
myself

I said to myself  
Guillaume it's time  
Finally to  
know  
my  
self

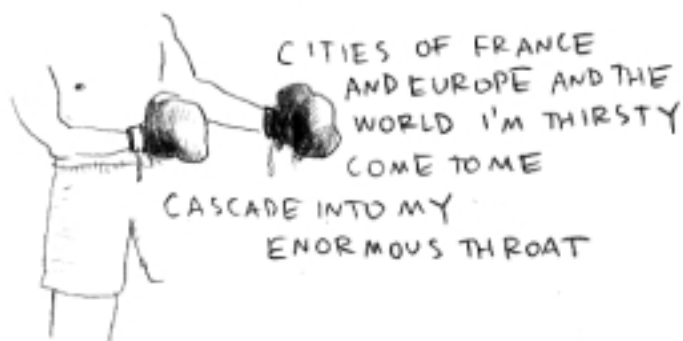

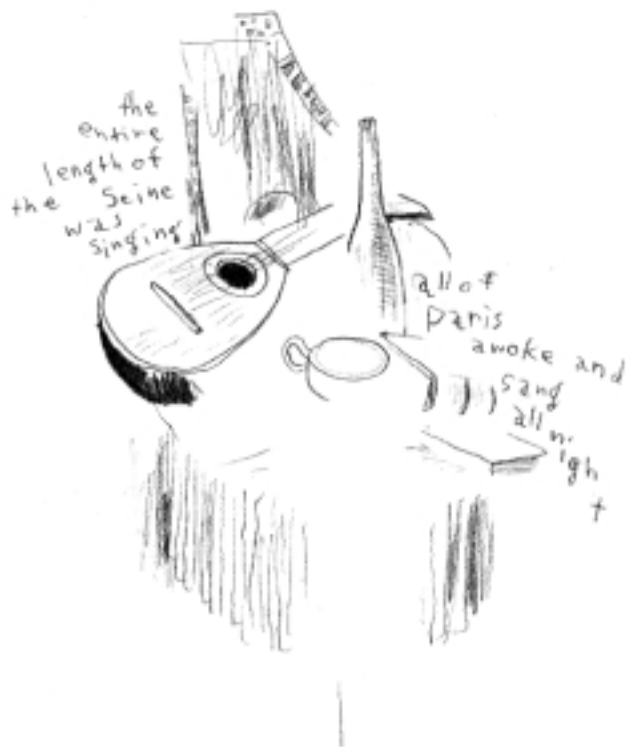

as I know others

I know  
them

HE KNEW  
HOW TO  
LOVE

...  
EQUEATH TO  
THE FUTURE  
THE STORY OF  
WILLIAMS  
APOLLINARE

who was in the war  
and knew how to  
every where...

Look

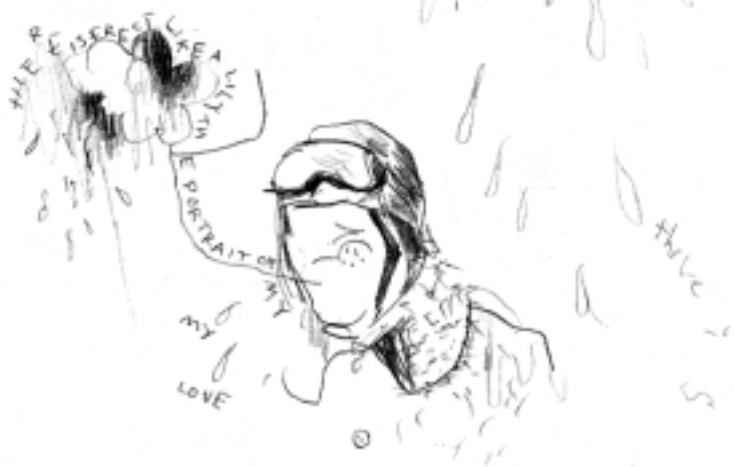

we said farewell  
to a whole era

Furious  
giants) were  
rising  
over  
Europe

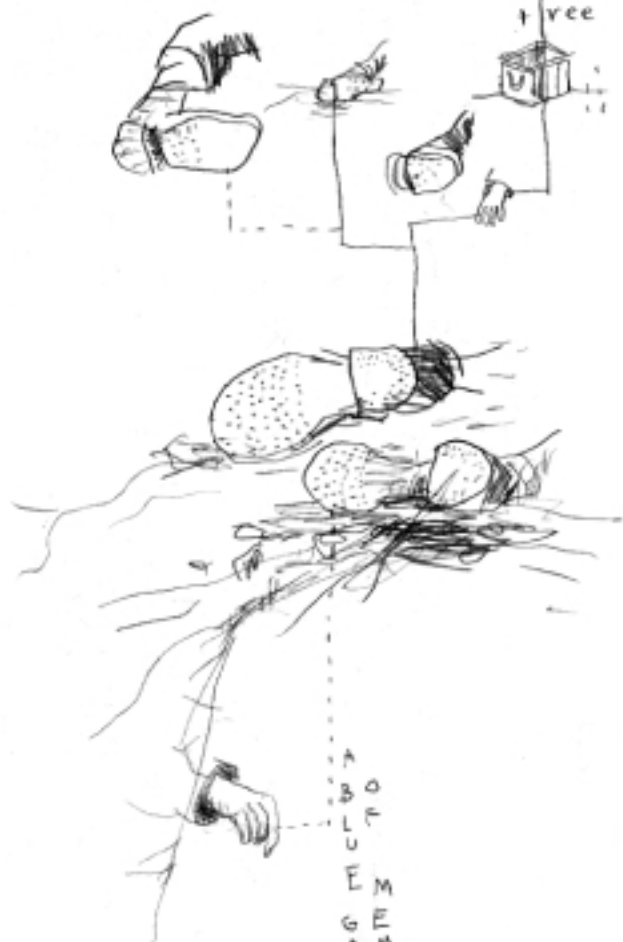

THERE  
THERE ARE  
THERE ARE RIVERS  
THAT WON'T FLOW UPHILL  
AGAIN

...we have pushed very  
far in this war  
the art of invisibility...

a single twilit

Can you remember anyone in these  
photographs

Remember the day a tree fell in the  
fire  
Remember it was the end of  
summer

ALWAYS

AND SO MANY UNIVERSES  
ARE FORGOTTEN
